

REASON # 10 TO USE BLESSING CARDS

It seems the world of the millennium
Is a slipper slide to Hell
Blessings can be just the thing
To protect and prepare a child
For the rougher roads than faced us.

BLESSING FOR WISDOM

Holy Creator bless this child with a supernatural instinct to protect h__
HEART, MIND AND EYES from Sin. Make h__ so sensitive to the
Holy Spirit that sin cannot get near h__ without setting off multiple spiritual
alarms. Bless h__ with a clear mind so he__ can understand how deadly sin
really is. Most of all bless h__ with eyes that are drawn away from the music
and movies around h__ and toward you, toward your creation, toward your
vision for mankind, toward the music of heaven, so that they are never turned
in a direction that would allow evil to enter, *not even a little at a time, not even
when all h__ friends are doing it.*

For sin when it is full grown gives birth to death. James 1:15
