

## Reason # 5

# To Use Blessing Cards

**We discover**  
**What one on one time**  
**Really means.**

## **BLESSING FOR SELF WORTH**

(Name calling can cause a lot of damage if it is not neutralized properly. Use this blessing often.)

Father I bring \_\_\_\_\_ for your greatest blessing, the certain knowledge that YOU love h\_\_. There are many voices in all our ears that call us worthless, useless, stubborn, bad or even ugly. Help h\_\_ Father to hear only your voice saying: "You are worth more to me than my own life. I know the plans I have for you plans with a hope and a future. All the Nations will call you blessed for you are my beloved."

Jesus let each new name \_he is called and each new hurt to h\_\_ heart make h\_\_ stronger...strong enough to lift others who are put down and called names.

Blessed are you when men call you names. Matt. 5:11\* (Authors paraphrase for children.)
