

BLESSING FOR SELF WORTH

(Name calling can cause a lot of damage if it is not neutralized properly. Use this blessing often.)

Father I bring _____ for your greatest blessing, the certain knowledge that YOU love h__. There are many voices in all our ears that call us worthless, useless, stubborn, bad or even ugly. Help h__ Father to hear only your voice saying: "You are worth more to me than my own life. I know the plans I have for you plans with a hope and a future. All the Nations will call you blessed for you are my beloved."

Jesus let each new name _he is called and each new hurt to h__ heart make h__ stronger...strong enough to lift others who are put down and called names.

Blessed are you when men call you names. Matt. 5:11* (Authors paraphrase for children.)

BLESSING FOR A SICK CHILD

Lord of healing, bless _____ with assurance that you already know about h__ sickness and that you have a plan for h__ future. Bless h__ with strength when _he is in pain. Bless h__ with patience when _he is confused. Help h__ hear your voice in h__ dreams and in h__ heart. Bless h__ soul to understand that you are a healer of spirits first and then bodies. Bless h__ with a knowledge that you are the lord of sickness and of health, always teaching, always loving, always comforting. Bless h__ with a deep knowledge that Immanuel truly means GOD WITH US.

He shall cover thee with his feathers: Psalm 91:4
